Wine profile

## 2020 GB ROSÉ – PINOT NOIR

### Region

The Rheingau covers approximately 3.000 hectares of vineyards and is one of the smallest wine growing regions in Germany. The southerly exposed vineyard sites protected by the Taunus mountain range are a reliable source of one of the finest Riesling and Pinot Noir wines of the country.

### Vintage

During the year, the winemakers mainly had to deal with drought stress in the vineyard. Although the vine with its long roots can compensate for drought, the now third dry season is clearly noticeable in three consecutive years. Fortunately, this did not affect the ripening of the grapes in the Rheingau area. The loose grapes of this vintage were healthy until harvest and had a fruity note.

### Grape variety

The right location and the vintner's skill is essential for Pinot Noir (Spätburgunder) to fully express its elegant aroma profile. Early harvest and gentle pressing result in a delicate Rosé resembling allot of white wine characteristics.

### Soils

Deep, gravely clay soils with layers of quartz and slate prevail in these southerly exposed steep vineyard sites.

### Wine estate

Implementing a strict quality philosophy Bernhard Breuer turned the family-owned wine estate with its 40 hectares into a leading estate in the Rheingau. Today it is managed by his daughter Theresa Breuer and production manager of many years, Hermann Schmoranz, with the assistance of cellar master Markus Lundén.

### Wine description

Brilliant pink with aromas of strawberries and raspberries combined with a fresh acidity make this a nice aperitif option. As a food pairing we recommend light and fruity starters or just a bowl of fresh strawberries.

Alcohol 11,5% · Residual sugar 4,8 g/l · Total acidity 6,1 g/l
