Wine profile

2021 GB ROSÉ – PINOT NOIR

## Region

The Rheingau covers approximately 3.000 hectares of vineyards and is one of the smallest wine growing regions in Germany. The southerly exposed vineyard sites protected by the Taunus mountain range are a reliable source of one of the finest Riesling and Pinot Noir wines of the country.

## Vintage

After three years characterized by warm summers and low rainfall, 2021 presented us with a cool and wet summer that challenged us viticulturally. After a warm winter, we again feared that there would be an early bud break again and that the trend of the last few years would continue. But a cold spring luckily slowed down the development of nature. Due to cool temperatures in July and August, we only started harvesting in mid-September. The grapes were extremely varied in quality and quantity... as there was a back and forth in terms of weather throughout the year.

## Grape variety

The right location and the vintner's skill is essential for Pinot Noir (Spätburgunder) to fully express its elegant aroma profile. Early harvest and gentle pressing result in a delicate Rosé resembling a lot of white wine characteristics.

## Soils

Deep, gravelly clay soils with layers of quartz and slate prevail in these southerly exposed steep vineyard sites.

## Wine estate

Implementing a strict quality philosophy Bernhard Breuer turned the family-owned wine estate with its 40 hectares into a leading estate in the Rheingau. Today it is managed by his daughter Theresa Breuer and production manager of many years, Hermann Schmoranz, with the assistance of cellar master Markus Lundén.

## Wine description

Brilliant pink with aromas of strawberries and raspberries combined with a fresh acidity make this a nice aperitif option. As a food pairing we recommend light and fruity starters or just a bowl of fresh strawberries.

Alcohol 11,5% vol. · Residual sugar 6,7 g/l · Total acidity 8,4 g/l
