

GEORG BREUER

Wine profile

2019 LORCH "ESTATE" RIESLING

Region

With its some 3000 Hectars, Rheingau is one of the smallest wine growing regions in Germany. South facing steep slopes are protected from the cold northerly winds by the Taunus Mountains, giving ideal ripening conditions.

Vintage

After a very hot year and a dry winter, the vines started with a water deficit into the new vegetation year, which supposed to be another dry one. A very cool May was slowing down the vegetation, but the high temperatures in July brought back a few problems. In some vineyards the grapes got sunburn but luckily they did not affect the quality of the grape material. It was a very quick harvest because the ripeness of aroma and phenolic was on its point very early and there was no risk because of the weather. This vintage brings very aromatic wines with a nice acidity structure.

Grape variety

In terms of elegance and finesse Riesling is the country's premier grape. The vineyards along the Rhine provide ideal growing conditions. With its distinctive aromatic profile, delicate structure and tangy acidity Riesling produces not only the finest German wines but also it earns world-wide recognition.

Soils

The grapes for this village-Riesling are sourced from south west orientated steep vineyard sites in Lorch dominated by quartzite, slate soils.

Wine estate

Implementing a strict quality philosophy Bernhard Breuer turned the family-owned wine estate with its 40 hectares into a leading estate in the Rheingau. Today it is managed by his daughter Theresa Breuer and production manager of many years, Hermann Schmoranz, with the assistance of cellar master Markus Lundén.

Wine description

Bright yellow, green reflexes, yellow fruits up to citrus notes in the aroma. On the palate with pressure, straight and cool framed by mineral hints. The balance between the strong acidity structure and intense extract sweetness is bringing a long finish in this wine.

Alcohol 12,0% · Residual sugar 9,6 g/l · Total acidity 8,2 g/l
