

GEORG BREUER

Wine profile

2018 RIESLING BRUT

Winegrowing area

The Rheingau covers approximately 3.000 hectares of vineyards and is one of the smallest wine growing regions in Germany. The southerly exposed vineyard sites protected by the Taunus mountain range are a reliable source of one of the finest Riesling wines of the country. Great Pinot wines are also produced here.

Vintage

2018 was a fantastic year for the vegetation in our vineyards. A bitter cold winter benefited the important hibernation of the vines. Mild temperatures in spring caused an early bud break. Our vineyards got luckily spared by winter frost. One of the hottest summers in the history of the winery was following. The dryness didn't affect the growth much and prevented the vines from fungal diseases. The vines were carrying a lot of grapes and the yield amount was high. The quality of the grape material was magnificent.

Grape variety

In terms of elegance and finesse Riesling is the country's premier grape. The vineyards along the Rhine provide for ideal growing conditions. With its distinctive aromatic profile, delicate structure and tangy acidity Riesling produces not only the finest German wines, it earns world-wide recognition as well.

Soils

The grapes are sourced from vineyards with loamy sedimentation over a bed rock of Taunus slate.

Wine estate

Implementing a strict quality philosophy Bernhard Breuer turned the family-owned wine estate with its 40 hectares into a leading estate in the Rheingau. Today Theresa Breuer runs the estate, supported by production manager Hermann Schmoranz and cellar master Markus Lundén.

Wine description

After the second fermentation the Riesling based sparkling wine stays at least 9 month on the yeast. Very fine perlage. Bright yellow colour with notes of citrus and stone fruit flavours. Fine creaminess, coupled with some length in the after taste.

Recommendation

Drink at 8° C, well chilled. As an aperitif but also with marinated salmon or fish in light sauces.

Alcohol 12,5%
